### **zetVisions appoints Wolfgang Kemna Chairman of the Board**

#### **Change of leadership at the Heidelberg-based Software Company**

Heidelberg, March 2, 2009 – The Supervisory Board of zetVisions AG has appointed Dr. Wolfgang Kemna as the Chairman of the Board. The former member of the Supervisory Board is taking over the mandate of Marko Albrecht who will continue his career outside zetVisions. Elena Maria Ordonez del Campo, Senior Vice President of Globalization Services, will support zetVisions as new Member of the Supervisory Board.

Uwe R. Feuersenger, Chairman of the Supervisory Board, comments the change: “We are opening a new chapter of zetVisions history with Wolfgang Kemna. After the completion of successful acquisitions, the core of our operations will be the focus on our customers. Wolfgang Kemna brings in long-term sales experience as well as a successful manager career in leadership positions at SAP. Due to his former mandate in the Supervisory Board of zetVisions, he is well-acquainted with the business processes and product portfolio and will thus be able to assume the office immediately.”

zetVisions' new Chairman is looking forward to his new tasks and duties: “The great number of customers, the motivated team and the great potential of the zetVisions solutions were reasons enough to provide my experience in the field to zetVisions,” explains Kemna.

Wolfgang Kemna had been fulfilling the duties of Chairman of the Board at Living-e AG in Karlsruhe, when he chose to join

zetVisions. Before managing Living-e, he worked for SAP AG and its affiliates on national and international levels between 1987 and 2007. He was Managing Director of the SAP subsidiaries in South Africa, Germany, and the US, and Managing Director of the SAP-subsubsidiary Steeb.

### **Anout zetVisions**

zetVisions AG specializes in the area of Financial Corporate Governance & Compliance. Providing software solutions for Corporate Investment Management, zetVisions has over 200 customers across Europe. The solution "zetVisions Corporate Investment Manager" (zetVisions CIM) for business management in multinational corporations is an "SAP-endorsed business solution" and is thus listed in SAP's official solutions package. Additional applications for Data Management and Regulatory Reporting extend zetVisions' portfolio which is geared towards building a reliable compliance infrastructure for multinational corporations.

zetVisions acquired OpenData Systemhaus AG in August 2007 and founded subsidiaries in France and Belgium in June 2008. As zetVisions is also responsible for the administration of the former Cartesis/BusinessObjects products, we now manage the leading European center of excellence for Corporate Investment Management. In total, approximately 100 zetVisions employees work in the Heidelberg headquarters as well as in the Frankfurt, Paris, and Brussels offices.
